NOTICE.

1. Whereas instructions have been received for allotment, on temporary lease, of the State lands, in Nili Bar Colony, described in the particulars hereunto annexed, and marked Schedule I, notice is hereby given that the plans of the said lands are open to inspection, free of charge, at the office of the Colonization Officer, Nili Bar Colony, Pakpattan, and that tenders will be received for the lease of the said lands, for the periods specified in the Schedule, at the office of the undersigned, on 1st, 2nd and 3rd March, 1933, up to 4 P.M. on each day. The conditions under which the land shall be held are specified in Schedule II annexed.

2. The area (more or less) of the lands, the distributaries extended to them, and other particulars are given in the statement attached, and marked Schedule I:—

(1) The lands to be leased have been divided into lots, numbered as shown in Schedule I, and in maps in the office of the Colonization Officer, Nili Bar Colony, Pakpattan. The Schedule and maps bear the signature of the Colonization Officer. The approximate size of the lots is set forth in the Schedule.

(2) Distributaries of the Pakpattan Canal have been extended to these lands, and plans signed by the Executive Engineer are deposited, and are open to inspection, free of charge, in the office of the Colonization Officer, Nili Bar Colony, Pakpattan. These plans, and the Schedule of lots, show the extent to which these lands are believed to be irrigable from the above-mentioned channels, by flow or by lift, as the case may be. The supply of water in the canal will probably irrigate as noted in the Schedule of lots, but Government does not hold itself in any way responsible for supplying any water to any of the said lands, or for the correctness of the said plans, and no failure or error in these respects shall be a ground for avoiding the lease or claiming compensation.

(3) The alignment of main roads, existing or proposed for construction, is shown upon the plans. The area of such roads has in all cases been excluded from the calculation of lease plots, and no property in them will pass to the lessee of such plots.

3. Tenders should be submitted on a form which is obtainable, on payment of Re. 1, from the office of the Colonization Officer, Nili Bar Colony, Pakpattan, and should quote a rate of rent per matured acre per harvest. Matured area for each harvest will be determined according to the girdawari of the Irrigation Department. Rent for each harvest will be calculated by multiplying the rate tendered with the matured area, in acres, for the harvest, and will be payable on 1st February for the Kharif harvest and on 15th July for the Rabi harvest

4. No person shall submit a tender on behalf of any other person unless it is accompanied by a duly executed and registered power of attorney (Article 48, Schedule I, Stamp Act), specially authorizing him to submit such tender.

5. No land revenue will be charged on the area leased, and this fact should be taken into consideration when quoting rent in the tender. The lessee will be liable to pay canal occupier's rate, rates and cesses, and acreage rate. For calculating rates and cesses, the rate of land revenue will be considered to consist of Rs. 3-8-0 per matured acre per harvest.

6. The lots vary in size and the periods of lease in length, as shown in the Schedule of lots attached. Separate tender must be submitted for each lot, except where it has been noted in Schedule I that tenders for the whole Chak will also be considered. A tender for the

whole Chak should not be combined with a tender for a single lot. Government does not bind itself to accept the highest or any tender, and may withdraw any lot without notice. Tenders must not be in fractions of less than one-fourth of a rupee, and must be for the period specified in the Schedule, and no more and no less.

7. Tenders must be accompanied by a remittance of Re. 1 per acre, as earnest money, calculated to the nearest whole acre of the area tendered for. This amount will be returned to the tenderer if the tender is not accepted, but if the tender is accepted it will be credited towards the rent to be paid in advance by the lessee.

Earnest money will be received in Nili Bar Colony Office, for which a proper receipt will be given.

8. The successful tenderer will, within one week of the date of the acceptance of his tender, pay a sum equal to one third of the rent tendered, multiplied by the total area leased. Final adjustments in respect of the advance will be made at the termination of the lease, and any amount found to have been paid in excess, will be refunded to the lessee, but he shall not be entitled to claim any interest on the sum paid in advance.

9. If on the acceptance of the tender, a tenderer fails to make the payment in advance, as mentioned in clause 8 above, the Colonization Officer, Nili Bar Colony, will rescind the lease and the earnest money shall be forfeited to Government.

10. When the advance has been paid by the successful tenderer, in accordance with clause 8 above, the Collector shall cause a deed of lease to be drawn up in English, in the form given in Schedule II, and shall call upon the tenderer to execute the same, to get it stamped at his own expense, and shall then execute the same on behalf of Government. If the lease deed is compulsorily registerable, the Collector shall call upon the lessee to get it registered at his (lessee's) expense, within a date to be fixed by the Collector, and deliver it to the Collector, within ten days from the expiry of the period fixed for registration. The stamp duty shall be calculated as if the rent was payable on the total area leased, irrespective of the fact that the rent was tendered on matured area.

11. When the lessee has signed the lease deed, and has paid the stamp duty payable thereon, he shall be put in possession of the land leased, by an officer appointed in that behalf by the Collector, and shall furnish to such officer a written acknowledgment of the receipt of possession.

12. If the lessee shall refuse, within the period specified for the purpose, to execute the said deed, or to have it duly stamped, or registered, or to deliver it to the Collector, or shall fail so to do without any reasonable excuse, the Colonization Officer, Nili Bar Colony, shall have full power and authority forthwith to rescind the contract and cancel the lease, eject the lessee, if he has taken possession, and seize the standing crops, without paying any compensation for them. The advance paid will be forfeited to Government.

13. Under no circumstances will any exchange be made of the lands leased, nor does Government accept any liability for the correct identification by the tenderer of the lots leased. Lots can be identified on the ground by the help of the survey marks, and the plans alluded to in paragraph 1 above. Patwaris will also show visitors round at any time between the date of this notice and the date above-mentioned; they will be under the supervision of Kanungos posted in the circles.

Issued at Pakpattan, by the undersigned, this 10th day of January 1933.

H. D. BHANOT,
Colonization Officer,
Nili Bar Colony.

PART II.—STIPULATIONS OF THE LESSEE.

The lessee doth hereby agree—

1. (*a*) That the lessee will pay the rent, as tendered by him, that is to say, Rs. per matured acre, per harvest, at Pakpattan, on 1st February for the Kharif, and 15th July for the Rabi harvest. The demand for each harvest will be calculated on the matured area, as determined by the Irrigation Department, and will be communicated to the lessee by the Colonization Officer,

Nili Bar Colony. He will also pay, when due, all rates and cesses, chargeable on the land and also all charges (other than penalties), at any time leviable under Chapter VIII of the Punjab Land Revenue Act, 1887, in respect of the land leased to him. The words "rates" and "cesses", in this clause have the same meaning as in the Punjab Land Revenue Act, 1887. For the purpose of determining the amount of rates and cesses, payable under this clause, the amount of land revenue shall be considered to consist of Rs. 3-8-0 per matured acre per harvest.

(b) That the lessee will pay canal occupier's rate in accordance with the rates in force (*vide* Punjab Government, Irrigation Branch, Notification No. 1198-R. I., dated 9th November 1926), or to be enforced on the Pakpattan Canal.

(c) That the lessee will be chargeable with acreage rate, during the period of the lease, at Rs. 3 per allotted acre, if paid in a lump sum at the commencement of the lease, or at the rate of Rs. 0-8-6 per allotted acre per harvest, if paid in instalments.

2. That the lessee will permit the officers of Government to enter on the said lands for all purposes connected with the construction, maintenance, or repair of new as well as of existing thoroughfares and water-courses :

Provided that no compensation, either by reduction of rent or otherwise, shall become due to the lessee from Government by reason of any such operations.

3. That the lessee will permit the officers of Government in like manner to enter and do all acts and things necessary or expedient for the full enjoyment of the right reserved to Government to or over all mines, minerals, coal, gold-washings, earth-oils and quarries in, under or upon the said land.

Provided that reasonable compensation shall be made to the lessee by Government for all damage to the said lands, or to any property of the lessee thereupon occasioned by the exercise of the rights herein reserved to Government to or over all mines, minerals, coal, gold-washings, earth-oils, quarries in, under or upon the said lands. The amount of such compensation shall be determined by the Collector of Nili Bar Colony, after hearing the said lessee.

4. That the lessee will pay on account of all trees and brushwood, now existing on the land, according to the valuation determined by the Colonization Officer, which will be recovered in equal half-yearly instalments during the term of the lease. The first instalment shall be paid with the first instalment of rent. Any tree not cut, and lying on the land, on the expiry of the lease will become the property of Government. One tree at least will be left standing in each acre.

5. That the lessee will not do any act inconsistent with, or injurious to, any of the rights excepted and reserved to the Government in clause 2 of Part I of this lease, and will not in any way interfere with the lawful use by the public of any thoroughfare within the said land.

6. That the lessee will duly comply with such directions as the Collector shall issue requiring him to construct boundary marks on the limits of the said lands, and will keep them, when erected, in good repair.

8. That the lessee will, by the time of the sowing of the third harvest of the lease, bring under cultivation not less than one-fourth of the total area leased, and shall thereafter maintain this area under cultivation till the fifth harvest, when he will bring under cultivation, and thereafter maintain under cultivation, not less than one-half of the total area leased. No water course shall be constructed or altered by the lessee except with the approval of the Divisional or Sub-Divisional Canal Officer, and under the provisions of section 16 of Northern India Canal and Drainage Act, VIII, 1873. In accordance with these provisions the cost as determined by the Divisional Canal Officer of all water courses already constructed, or hereafter constructed, shall be recovered from the lessee using the same in such manner and at such time as may be fixed by the general or special orders of Government.

3. That land is believed and shall be taken to be correctly described as to area and otherwise. NOTIFICATIONS.

The 12th January 1933.

No. 310-E. & S.—In exercise of the powers conferred by section 59 of the Punjab Excise Act, I of 1914, the Financial Commissioner is pleased to make the following rules for the manufacture of medicinal and other preparations containing rectified spirit. These rules shall be called the Punjab Chemical Works Rules, 1933. The following notifications are hereby cancelled :—

(2) Financial Commissioners' notification No. 561—741—14550½, dated 29th November 1923.

THE PUNJAB CHEMICAL WORKS RULES.

SECTION A.—DEFINITIONS.

1. The words "Chemical Works" mean the premises or part of the premises approved and licensed by the Financial Commissioner for the manufacture of medicinal and other preparations containing alcohol under bond and for the storage of alcohol and finished preparations containing alcohol on which duty has yet to be paid. The instructions for the management of distilleries published in notification No. 1474-E. & S., dated the 5th May 1932, shall apply to Chemical Works in such of their details as are not provided for in the following rules and to such extent as the Financial Commissioner may from time to time direct.

2. "Spirit Store" means that part of the Chemical Works which is set apart for the storage of rectified spirit.

3. "Laboratory" means that part of the Chemical Works in which the actual manufacture of medicinal and other preparations containing rectified spirit takes place.

4. "Warehouse" means that part of the Chemical Works in which finished preparations containing rectified spirit, on which duty has not yet been paid, are stored.

5. "Rectified spirit" means spirit of the strength of 43 degrees or more over proof.

6. "Officer in charge" means an officer of the Excise Department deputed to supervise Excise work in the Chemical Works.

7. "Approved Manufacturer" means a person to whom a license has been granted in Form M. C.-12 for the manufacture of medicinal and other preparations in bond.

SECTION B.—LICENSES AND LICENSED PREMISES.

8. Any person desiring to use rectified spirit of Indian Manufacture for the manufacture of medicinal and other preparations under bond must apply in writing to the Collector of the district giving the following particulars :—

(a) name or names and addresses of the applicant ;

(b) the situation of the Chemical Works ;

(c) the maximum quantity of proof spirit likely to be in stock at any one time on the licensed premises ;

(d) the amount of the security which the applicant is prepared to furnish as a guarantee for the performance of the conditions under which the privilege is granted ; and

(e) a correct plan of the buildings to be used. The plan shall be submitted in duplicate, drawn to scale on tracing cloth, showing the plan and elevation of the premises and the position of the spirit store, laboratory and warehouse and the exact position and dimensions of all permanent vessels for the storage of rectified spirit or medicinal or other preparations and of all compounding tables, almirahs, safes, sinks and all important details connected with the Chemical Works or with the vessels in it.

9. In case the application is granted no further alterations will be made in the building or plant without the previous sanction of the Financial Commissioner.

10. The application shall be forwarded by the Collector, through the Commissioner for the consideration of the Financial Commissioner, who, if he accepts the application, will fix the nature and amount of security, which each applicant (subsequently referred to as the approved manufacturer) will be required to give for the due execution of these rules and the payment of all sums chargeable against him. The Financial Commissioner may at any time require a change in the security if the amount originally fixed should prove unsuitable.

11. Each application shall include for the approval of the Financial Commissioner

(1) a list of the preparations of which the manufacture is proposed, under the following heads:—

(a) Medicinal preparations.
(b) Toilet preparations.
(c) Non-medicinal essences.
(d) Perfumed spirit.

and if necessary under a further miscellaneous head. The Financial Commissioner in consultation, if necessary, with the Medical Officers of Government reserves the right to exclude any preparation or preparations from the list or to transfer preparations from one head to another.

(2) a list of Government and charitable hospitals and dispensaries to which it is proposed to issue medicinal preparations duty free. Additions to or removals from this list may be made subsequently with the approval of the Financial Commissioner on an application by the licensee.

12. A license in Form M. C.-12 may be granted by the Collector for a period not exceeding one year and ending on 31st March. It may be renewed from year to year by the Collector, who may however on sufficient cause shown refuse to renew it or may at any time determine it.

13. Sales under this license shall only be of such preparations as the Financial Commissioner may approve, and sales of medicinal preparations duty free shall only be made to such Government and charitable hospitals and dispensaries as have been included in an application made under rule 11 and approved by the Financial Commissioner.

14. The license shall be granted subject to the payment of such fees as the Financial Commissioner may decide.

15. If the approved manufacturer goes out of business, he shall dispose of his stock of rectified spirit and unissued preparations in such manner as the Financial Commissioner may direct.

16. The approved manufacturer shall not transfer or divide his interest in the business without the previous permission of the Financial Commissioner.

17. The Chemical Works shall, at all times be open to inspection by authorized Government servants who may take any necessary samples for analysis.

18. The cost or a portion of the cost of the Excise staff required for supervision may be charged to the approved manufacturer, as the Financial Commissioner may direct.

19. Work in the Chemical Works shall only be carried on during such hours as may be fixed by the Financial Commissioner. The works shall only be opened in the presence of the officer in charge, appointed to supervise the work there.

20. Only the approved manufacturer or his manager and such servants, as are required to be there, shall enter the Chemical Works. The approved manufacturer shall furnish to the officer in charge a list containing the names of the manager, or assistant manager employed by him and of all the employees whose duties require them to enter the Chemical Works. He should inform the officer in charge of any changes which are to be made in the list. The officer in charge shall forward a copy of such list to the Collector.

21. If the licensee from any cause, physical or mental, becomes incapable of carrying on business, or dies, or becomes insolvent, or (in the case of a company) is wound up, the Collector may either (1)

cancel the license or (2) continue it in the name of the legal representative of the licensee. Neither the licensee nor any other person shall be entitled to any compensation or damages whatsoever in respect of the revocation, cancellation, or determination of the license.

SECTION C.—MANUFACTURE.

22. No preparation, other than those previously approved by the Financial Commissioner, shall be manufactured under these rules.

23. Rectified spirit and absolute alcohol, obtained or prepared under these rules shall not be sold to public or trade, provided that transfers from one Chemical Works to another may be made with the special sanction of the Financial Commissioner.

24. Rectified spirit may be obtained in bond without pre-payment of duty from any distillery in the Punjab or elsewhere in quantities not less than 10 gallons at a time, under a permit issued by the Collector of the district of destination. In any case however the quantity in the possession of the approved manufacturer shall not exceed a limit fixed by the Financial Commissioner and an unnecessarily large stock of spirit shall not be carried by the approved manufacturer.

25. Immediately on receipt of the consignment, the officer in charge shall enter in ink upon the pass the bulk gallons, strength and proof gallons found by him after gauging and proving as well as the transit wastage in proof gallons for each vessel. The passes shall be retained along with other accounts and kept in a special book file. The Financial Commissioner, after considering the monthly return furnished under rule 44, may call upon the approved manufacturer to pay duty at such rate not exceeding the tariff rate, as he thinks fit on the whole or any part of the wastage which may appear excessive or due to theft or fraud.

26. Rectified spirit shall be emptied forthwith into locked vessels in the spirit store of the Chemical Works. Each such vessel shall be fixed and gauged and shall be marked with words "Rectified spirit........Store Vessel," the capacity of the vessel and a distinctive number. Tables shall be compiled to show the contents of each inch and tenth of an inch of its depth in register Form D.-6. Excise ticket locks shall be placed on the mandoor and discharge cocks of such vessels. The officer in charge must take the dip in each store vessel once every time the spirit is issued as a check on loss or abstraction. The dip thus taken must be entered in the diary in form D.-9 and the prescribed account in form M. C.-1.

27. The charging and discharging pipes of spirit store vats, and all vessels used for the store of spirit, all mandoors of such vats or vessels, and the doors of spirit store, laboratory and the warehouse shall be so fitted as to enable them to be closed with two locks, the keys for which are not interchangeable, and of which one lock shall be a revenue lock (ticketted) in charge of the officer in charge and the other a lock in charge of the approved manufacturer. The keys of all the revenue locks shall be kept by the officer in charge in whose absence no door or vessel in the Chemical Works may be unlocked or remain unlocked.

28. Any distilling or converting apparatus which may be erected shall be locked with ticketted locks; and the reservoirs, trap vessels, worms etc. in which potable spirit may be contained or received shall be so constructed as to prevent abstraction of spirit before the officer in charge has taken an account of it.

29. No spirit shall be removed from any store vessel until an account of the quantity and strength has been taken by the officer in charge.

30. Whenever any preparation is to be manufactured, the spirit required for such preparation shall be obtained from the spirit store for the manufacture of particular preparations. The spirit thus obtained shall be added without delay in the presence of the officer in charge to the respective materials to be treated; and to every percolator or other vessel in which the spirit is placed, there shall be attached a label in form M. C.-8 showing the description of the preparation, the date with the quantity and strength of all spirit placed in it from time to time and the date on which any of the finished products were removed to stock with the quantity so removed.

31. Spirit recovered from residues shall be either—

(a) transferred to a gauged and locked vessel kept for the purpose and thence removed for use as required ; or

(b) used at once in continuation of the process from which it was obtained ; or

(c) destroyed in the presence of the officer in charge, who shall certify in red ink in the diary in Form D.-9 its quantity and apparent strength ; or

(d) kept for use in some special way approved by the Financial Commissioner.

32. If it is not intended to recover from the residues the contained spirit, the residues must be destroyed in the presence of the officer in charge, who will record this as directed in rule 31.

33. In cases in which it is necessary to use some quantity of a finished preparation instead of, or in addition to rectified spirit, the quantity so required shall be taken from the warehouse and added in the presence of the officer in charge without delay to the materials to be treated. Such quantity shall be shown separately in columns 2, 3 and 4 of form M. C.-3 with a reference to the number of the batch from which it was taken, and on the label attached to the percolator or other vessel. It shall also be shown in form M.C.-4, the entry in column No. 8, being "used in manufacture of ...." It shall, however, be deducted from the monthly total of column No. 10 of form M. C.-3 since the spirit contained in it is replaced in stock and is not shown as issued in Form M. C.-7.

34. (1) The finished preparations shall be kept separate from those in the course of preparation and be stored in a separate store room approved for the storage of finished preparations, called the "Warehouse." The door of the warehouse must be fastened with Excise ticketted locks. The words "Warehouse for bonded medicinal and other preparations" must be painted on the door in which these preparations are allowed to be stored. Similarly the words "Spirit Store" and "Laboratory" shall be painted on the doors of the rooms set apart as such.

(2) Finished preparations may be stored—

(a) in bulk, in jars or bottles containing not less than one quart (40 fluid ounces), or

(b) stored ready for issue in bottles of not less than two fluid ounces capacity, every bottle containing not less than 2 fluid ounces of a preparation.

(3) Every preparation stored in bulk must be measured into the storage vessels to the nearest fluid ounce by the officer in charge, who must then close and seal the vessel with his official seal.

(4) The description, quantity and true strength of the preparation must then be recorded on a label in Form M. C.-8, by the approved manufacturer or his agent and each label must also bear the distinctive serial number corresponding with the number entered in the prescribed register (Form M. C.-3).

(5) In the case of preparations stored in bulk the label on every vessel must be signed and dated by the officer in charge.

(6) When any of the contents of a vessel referred to in clause (2) (a) has been removed, the officer in charge must enter on the label attached thereto the quantity taken out and the manner of disposal with his signature and date. Finished preparations shall only be removed from the warehouse in accordance with an application in Form M. C.-6. The approved manufacturer must state in Form M. C.-6 the number of bottles or jars in which each preparation is contained and the bulk quantity to be removed.

(7) Sub-rule (4) must be followed in respect of preparations referred to in sub-rule (2) (b), but the contents of bottles are to be checked at the time of issue according to the following scale :—

Whenever the number of bottles in any consignment does not exceed 100, the officer in charge is to measure one in every 25 and fraction of 25 up to 50 and one in

any remaining number up to 100. When the number exceeds 100, three bottles are to be measured in the first 100 and one in every 50 and fraction of 50. A larger proportion should be measured, should the officer in charge consider it necessary. The officer in charge must certify in Form M. C.-6 the number of bottles issued and how many were checked on measurement. Only standard gallon measures and graduated glass measures, approved by the Financial Commissioner, are to be used in gauging preparations.

35. Samples of any finished preparation may at the time of its removal to the warehouse be taken for despatch to the Chemical Examiner for analysis and test of the amount of proof spirit contained therein. Not less than ten per cent. of the preparations issued from the Chemical Works in the month should thus be sampled. The officer in charge is responsible for ensuring that not less than this percentage of issues is sampled monthly. The following procedure shall be observed in sampling the preparations :—

(1) A sample shall not be less than 3 fluid ounces.

(2) Every sample must be taken in duplicate personally by the officer in charge. The cork of every bottle must be sealed by him with a revenue seal and the name of every preparation must be stated on a label affixed to each bottle. The duplicate samples should be kept under excise lock until the result of analysis has been reported, unless specially asked for by the Chemical Examiner to replace the original samples or to repeat an analysis. Duplicate samples to which no further reference can be needed may be returned to the approved manufacturer.

(3) The samples must be placed in a case and securely fastened with tape or wire provided by the approved manufacturer and be sealed by the officer in charge with a revenue seal and delivered without delay at the expense of the approved manufacturer to the Chemical Examiner.

(4) An advice letter in Form M. C.-9 must be despatched to the Chemical Examiner at the same time.

36. The approved manufacturer must submit, if required, samples of all or any of his medicinal preparations to such medical officers as Government may designate for test, and must agree to abide by any rules drawn up by the medical officers of Government authorised in this behalf with a view to ensuring the efficacy and purity of the medicinal preparations produced in the Chemical Works.

37. At the time of issue the approved manufacturer shall declare the strength of the finished preparations and all calculations of duty on rectified spirit contained in finished preparations from the warehouse shall be made according to the strength declared by the approved manufacturer unless the result of the Chemical Examiner has been received before issue. If the strength of a sample actually found by the Chemical Examiner does not exceed the declared strength by 3 degrees, then no correction need be made in the strength of the preparation shown in the registers, but if the actual strength exceeds the declared strength by 3 degrees or more, then the strength of the preparation as well as the quantity shown in proof gallons shall be corrected accordingly. A sur-charge of duty shall be levied in the latter case if any issues have been allowed from the particular batch before the receipt of the Chemical Examiner's report. No refund will be allowed if the strength declared by the approved manufacturer is found higher than the actual strength reported by the Chemical Examiner. At the close of each month the officer in charge shall make a list giving the name of the preparations, number of gallons manufactured, batch number, declared strength and strength found on analysis during the month in regard to which the strength found by the Chemical Examiner exceeded the declared strength by three degrees or more. The list shall be sent by the Deputy Commissioner immediately through the Commissioner to the Financial Commissioner, who may impose a penalty to the extent of 10 times the shortage of duty on the quantity manufactured.

SECTION D.—ISSUE OF TINCTURES, EXTRACTS AND OTHER PREPARATIONS.

38. An account of all medicinal or other preparations received into and issued from the warehouse shall be maintained in Form M. C.-4. All issues shall be made only on application by the approved manufacturer in Form M. C.-6 which shall be accompanied by a treasury receipt in token of payment of the prescribed duty on the preparations concerned. The officer in charge, after satisfying himself that the amount of duty has been paid into the treasury shall issue the preparations applied for and shall grant a pass in Form L.-34.

39. The approved manufacturer may make an advance deposit against payment of duty and issues of finished preparations may then take place so long as a sufficient balance is available. In this case the officer in charge shall keep an account in Form D.-15.

40. All jars, bottles or other vessels and packages in which consignments are issued shall be sealed by the officer in charge with his official seal before they leave the warehouse. Every bottle containing such preparations shall bear a label on which the percentage of alcohol contained in the preparation is clearly and accurately indicated. Medicinal and other preparations put up in small bottles should be packed in boxes containing such number of bottles that the total proof spirit content of the preparation contained in each box is not less than 0·1 proof gallon. These boxes shall be securely fastened and sealed by the officer in charge.

SECTION E.—ACCOUNTS TO BE MAINTAINED AND RETURNS TO BE SUBMITTED.

41. The officer in charge shall maintain a diary in Form D.-9 in which he shall record from day to day all the relevant entries regarding operations carried on in the Chemical Works.

42. The following registers shall be maintained by the approved manufacturer :—

(a) M. C.-2.—Stock Account of Spirit used for making tinctures.

(b) M. C.-3.—Register of Operations in the Laboratory.

(c) M. C.-4.—Stock Account of each preparation.

(d) M. C.-6.—Application for pass for the removal of medicinal or other preparations from the Chemical Works.

(e) M. C.-8.—Labels.

(f) M. C.-11.—The Monthly Return.

43. The following registers shall be maintained by the officer in charge :—

(a) M. C.-1.—Vat Account of Spirit received in the Spirit Store.

(b) M. C.-5—Account of Spirit recovered in the Laboratory.

(c) M. C.-7.—Account of finished preparations issued from the warehouse.

(d) M. C.-9.—Advice of samples sent to the Chemical Examiner.

(e) M. C.-10.—Account of samples sent to the Chemical Examiner.

(f) D.-6.—Table book of spirit vats.

(g) D.-9.—Inspector's Diary.

(h) D.-15.—Register regarding advance payment of duty.

44. At the end of each month, the approved manufacturer must deliver a statement in Form M. C.-11 in duplicate to the officer in charge, who shall verify its correctness and forward a copy of it through the Collector and the Commissioner to the Financial Commissioner. He shall furnish such true statements as may be required by the Collector in the forms prescribed under the rules.

45. All registers and forms of the M C and D series shall be printed and supplied by the approved manufacturer free of charge. Forms bound together shall bear printed serial and consecutive numbers. Loose sheets of such forms as are necessary shall also be supplied to the officer in charge.

SECTION F.—STOCK TAKING AND WASTAGE.

46. The stock of spirit in the spirit store shall be taken by the officer in charge on the last working day of each month.

47. The stock of medicinal or other preparations containing rectified spirit in the warehouse shall be similarly taken.

48. Nothing in these rules justifies the use on a label or in an advertisement of words stating or implying that the preparation is sold under a Government guarantee as to contents or quality.

49. If a fire occurs in a Chemical Works, the Collector should immediately cause an enquiry to be held by a gazetted officer in order to determine the liability of the licensee to pay duty on the spirit wasted. No duty will ordinarily be assessed on spirit on which duty has not been paid; but if duty has been paid on any quantity of spirit contained in the preparations, although these have not left the Chemical Works, the Collector must satisfy himself that the spirit was really destroyed before any refund is paid. If such a refund is to be paid, it shall be calculated on the actual quantity of spirit on which duty has been paid. Once preparations have passed out of the Chemical Works no refund of duty shall be paid upon them. The previous sanction of the Financial Commissioner is required before any such refund can be paid, and if either duty is to be levied or a refund is to be granted the collector in his report should come to a clear finding whether the loss was due to preventable causes, which should have been foreseen or guarded against by the licensee.

50. If the approved manufacturer infringes or causes or permits any person to infringe any of the conditions enumerated above or any of the conditions of his license, the Collector may revoke and determine the license and he may forfeit to Government the whole or any part of the security deposit :—

(3) No person shall be appointed directly or by transfer to the service unless he has been accepted as a candidate in the case of Tahsildars by the Financial Commissioners and in the case of Naib-Tahsildars by the Commissioner under the conditions prescribed from time to time in the Standing Orders of the Financial Commissioners ;

Provided that in the case of Tahsildars the Local Government and in the case of Naib-Tahsildars the Financial Commissioners may, in special circumstances to be recorded in writing waive any of the provisions of this rule.

(2) When a substantive vacancy occurs or is about to occur in the post of Tahsildar it shall be filled from among the classes mentioned in Rule 6 (*a*) in such proportions or rotation as the Local Government shall by general or special order direct. The promotion of Naib-Tahsildars employed in foreign service will be regulated on the principles laid down in Fundamental Rule 113.

Appointments against suspended lien.

9. Substantive appointments in the service which have been made provisionally in vacancies caused by the absence of Government servants whose lien has been suspended under Fundamental Rule 13, will, as vacancies occur among substantive members of the service, or as suspended liens are finally withdrawn, cease to be provisional by strict seniority. On the return of an officer whose lien has been suspended, the junior member of the service whose substantive appointment is provisional, will revert.

Probation of members of the service.

10. (1) No person shall be appointed substantively in any vacancy until he has undergone a probation for a period of two years in the case of members recruited by direct appointment or of one year in the case of members recruited otherwise, during which time his appointment shall be officiating. Broken periods of service of not less than 3 months' duration in each case including service in temporary vacancies shall be reckoned as periods spent on probation, but no member who is officiating in any appointment shall, on the completion of one or two years in the service, as the case may be, be entitled to be confirmed until he is appointed against a permanent vacancy.

(2) If the work or conduct of any member during his period of probation is, in the opinion of the appointing authority prescribed by rule 8, not satisfactory, the appointing authority may dispense with his services, or revert him to his former post if he has been recruited otherwise than by direct appointment.

(3) On the completion of the period of probation of any member, the appointing authority prescribed by rule 8 may, if a vacancy exists, appoint him substantively with retrospective effect. If his work or conduct has, in the opinion of the appointing authority, not been satisfactory, the appointing authority may dispense with his services or revert him to his former post if he has been recruited otherwise than by direct appointment, or may extend the period of probation and thereafter pass such order as it could have passed on the expiry of the first period of probation.

Seniority of members of the service.

11. The seniority of members of the service shall in so far as any post is concerned be determined by the date of substantive appointment in the post. If a member of the service has reverted after holding a provisional substantive appointment his seniority shall be determined by the date of final substantive appointment in the post.

The seniority of candidates shall be determined by the date on which they are accepted.

Provided that if two or more members are so appointed in the same class of posts on the same date or two or more persons are accepted as candidates on the same date, their seniority shall be determined in the case of Tahsildars by the Financial Commissioners and in the case of Naib-Tahsildars by the Commissioner whose decision shall be final.

Penalties.

12. The following penalties may, for good and sufficient reasons and as hereinafter provided, be imposed upon any member of the service, namely—

(a) censure;

(b) withholding of increments or promotion, including stoppage at an efficiency bar;

(c) reduction to a lower post or time-scale or to a lower stage in a time-scale;

(d) recovery from pay of the whole or part of any pecuniary loss caused to Government by negligence of orders;

(e) suspension;

(f) removal from the service of Government, which does not disqualify from future employment.

(g) dismissal from the service of Government, which disqualifies from future employment.

Explanation.—(1) The discharge or reversion —

(a) of a person appointed on probation, during the period of probation;

(b) of a person appointed to hold a temporary appointment, on the expiration of the period of the appointment or the return to duty of a person with superior claims to hold that appointment;

(c) of a person appointed to officiate in any vacancy;

does not amount to removal or dismissal within the meaning of this rule.

(2) All posts of Tahsildars and Naib-Tahsildars are deemed to be selection posts, and no one shall be deemed to have suffered the penalty of withholding of promotion by reason of not having been appointed to fill any such post.

(3) The penalty of removal or reduction may be inflicted upon a member of the service for such a cause as general unfitness for the duties of his office.

(4) The penalty of dismissal will only be inflicted for the gravest misconduct, or as the culminating result of continued misconduct, indicating complete unfitness for the public service. A person who succeeds in obtaining employment in the service by the concealment of his antecedents will be liable to dismissal on discovery of the true facts. In inflicting this penalty regard will be paid to the length of service of the offender and his claim to pension.

Authorities who may impose penalties.

13. Subject to the provisions of these rule, the authorities specified in colum 3 of Appendix A are hereby empowered to impose upon the members of the service mentioned in column 1 of the said appendix the penalties specified in column 2 of the said appendix.

NOTE.—When it is necessary to consider whether a member of the service employed outside his division should be punished it will be most convenient that the enquiry should be held by the Commissioner of the division in which the member is working. The Commissioner holding the enquiry should inform the Commissioner of the division to the list of which the member belongs, of the institution of any such proceedings and before pronouncing his final order send it to that Commissioner for remarks. If the Commissioners are unable to agree as to the order that should be passed, the Commissioner who has actually heard the case shall decide it in accordance with his own opinion.

Inquiry before imposition of certain penalties.

14. (i) Without prejudice to the provisions of the Public Servants (Inquiries) Act, 1850, no order of dismissal, removal or reduction shall be passed against a member of the service other than an order based on facts found proved by a criminal court unless he has been informed in writing of the grounds on which it is proposed to take action, and has been afforded an adequate opportunity of defending himself. The grounds on which it is proposed to take action shall be reduced to the form of a definite charge or charges, which shall be communicated to the person charged together with a statement of the allegations on which each charge is based and of any other circumstances which it is proposed to take into consideration in passing orders on the case. He shall be required, within a reasonable time to put in a written statement of his defence and to state whether he desires to be heard in person. If he so desires and if the authority so direct, an oral inquiry shall be held. At the inquiry oral evidence shall be heard as to such of the allegations as are not admitted, and the person charged shall be entitled to cross-examine the witnesses, to give evidence in person and to have such witnesses called as he may wish, provided that the officer conducting the inquiry may, for special and sufficient reasons to be recorded in writing, refuse to call a witness. The proceedings shall contain a sufficient record of the evidence and a statement of the findings and the grounds thereof :

Provided that—

(a) this sub-rule shall not apply where the person concerned has absconded, or where it is for other reasons impracticable to communicate with him ;

(b) all or any of the provisions of this sub-rule may in exceptional cases, for special and sufficient reasons to be recorded in writing, be waived, where there is a difficulty in observing exactly the requirements of this sub rule and those requirements can be waived without injustice to the person charged.

(2) No member of the service who is called upon to produce his defence as to charges which form the subject matter of an enquiry against him, shall be allowed to engage counsel :

Provided that if the charge or charges are likely to result in the dismissal of the member of the service such member may, with the sanction of the enquiring officer, be represented by counsel :

Provided further that if in an enquiry, counsel is engaged on behalf of any department of Government, the member of the service against whom the charges are being enquired into, shall be entitled to engage counsel.

Right of appeal.

15. Subject to the provisions of these rules, members of the service, upon whom any of the penalties specified in rule 12 have been imposed by competent authority, shall be entitled to appeal to the corresponding superior authority as specified in each case in column 4 of Appendix A;

Right of revision.

16. After an appeal or the second appeal provided in rule 18, if any, has been rejected, the member of the service may apply for revision to the corresponding superior authority specified in each case in column 5 of Appendix A :

Provided that the power of revision shall be exercised only—

(a) if the appellate authority is one other than Government ; and

(b) only on the ground of material irregularity in the proceedings of the enquiring or appellate authority or on the discovery of new and important matter or evidence which after the exercise of due diligence was not within the knowledge of the petitioner or could not be produced by him when the orders were made against him, or on account of some mistake or error apparent on the face of the record :

Provided further that Government may at any time revise any order passed by it in exercise of its appellate powers under these rules.

17. (1) In the case of an appeal against an order imposing any penalty specified in rule 12 the appellate authority shall consider—

Orders which may be passed by appellate authority and effect to be given.

(a) whether the facts on which the order was based have been established,

(b) whether the facts established afford sufficient ground for taking action, and

(c) whether the penalty is excessive, adequate or inadequate and after such consideration shall pass such order as it thinks proper, either confirming the order appealed against or remitting, reducing or increasing the penalty :

Provided that no penalty shall be increased unless opportunity is given to the official concerned to show cause why such penalty should not be increased.

(2) An authority from whose order an appeal is preferred under these rules shall give effect to any order made by the appellate authority.

18. The Financial Commissioners may call for the records of any penalty inflicted by an authority subordinate to them and after making further investigation, if necessary, may confirm, remit, reduce or, subject to the provisions of the proviso to sub-rule (1) of rule 17, increase the penalty.

Power of a superior authority to review the proceedings of an inferior authority.

19. In all cases in which an appellate authority other than Government increases the penalty inflicted by an authority subordinate to the appellate authority upon a member of the service, such member shall be entitled to submit a second appeal to the authority specified in column 5 of Appendix A.

Second appeal when a penalty is increased.

20. Every member of the service preferring an appeal shall do so separately and in his own name.

Prohibition as to collective appeals.

21. Every appeal preferred under these rules shall contain all material statements and arguments relied on by the appellant, shall contain no disrespectful or improper language, and shall be complete in itself, and every such appeal shall be submitted through the head of the office to which the appellant belongs or belonged and through the authority from whose order the appeal is preferred.

Manner of presentation of appeals.

22. (1) An appeal may be withheld by an authority subordinate to Government, if—

Withholding of appeals.

(a) it is an appeal in a case in which under these rules no appeal lies,

(b) it does not comply with the provisions of rule 21,

(c) it is not preferred within six months after the date on which the appellant was informed of the order appealed against, and no reasonable cause is shown for the delay,

(d) it is a repitition of a previous appeal and is made to the same appellate authority by which such appeal has been decided and no new facts or circumstances are adduced which afford grounds for a reconsideration of the case :

Provided that in every case in which an appeal is withheld the appellant shall be informed of the fact and the reasons for it :

Provided further that an appeal withheld on account only of failure to comply with the provisions of rule 21 may be re-submitted at any time within one month of the date on which the appellant has been informed of the withholding the appeal, and, if re-submitted in a form which complies with those provisions, shall not be withheld.

(2) No appeal shall lie against an order withholding an appeal passed by a competent authority.

(3) Any appellate authority may call for the records of any appeal withheld by an authority subordinate to it, which under these rules may be made to it and may pass such order thereon as it considers it.

Saving of existing rights of appeal.

23. Nothing contained in these rules shall operate to deprive any member of the service of any right of appeal which he would have had if these rules had not been made, in respect of any order made before these rules come into force.

Restrictions on appeals.

24. Except as provided in rules 15 to 23 of these rules no appeal sha'l lie from any order under these rules.

Retirement.

25. (1) The retirement on pension of Tahsildars is sanctioned by the Financial Commissioners and of Naib-Tahsildars by Commissioners.

(2) The Financial Commissioners may compulsorily retire any Tahsildar and the Commissioner may compulsorily retire any Naib-Tahsildar after he has completed 30 years' qualifying service if it is in the public interest to do so, without giving any claim to special compensation on this account.

Sardar Sahib Sardar RANDHIR SINGH, Honorary Magistrate, Sialkot.

Rai Bahadur Lala SANT RAM, Superintending Engineer, 3rd Circle, Punjab, Public Works Department,—*Secretary.*

1. The minutes of the last meeting were confirmed. With regard to item 4, the suggestion of the Agent, North-Western Railway, was approved

that the last part of the sentence should read " with a statement showing the authorities concerned (Road or Railway), who are held liable to pay for the construction, with the share of each."

2. *Considered Commissioner, Lahore's endorsement No. L/1/11/743, dated the 1st June 1932, regarding the promotion of the Amritsar-Gujranwala road to Class I.*—The Board was of the opinion that due to financial stringency and the existence of the present route between Amritsar and Gujranwala (*via* Lahore) by the Grand Trunk Road in close proximity, the proposal could not be considered.

3. The Board accorded revised administrative approval to the project of the District Board, Montgomery, for metalling the remaining 3 miles of the Okara-Dipalpur road at an estimated cost of Rs. 41,300.

4. *Considered application from the District Board, Multan, for a 50 per cent. grant of Rs. 1,950 for completing the metalling of the Mian Channu-Pakhi Mian road at an estimated cost of Rs. 6,752; material to the value of Rs. 2,851 being already collected on the roadside.*—The grant was sanctioned.

5. The Board noted letter No. 76-G./24/443-W. S., dated the 23rd July, 1932, from the Secretary to Government, Punjab, Public Works Department, Buildings and Roads Branch, conveying orders of Government refusing to promote the Kashmore-Rojhan road to Class II.

6. *Considered administration report of the Communications Board for the year 1931-32.*—It was decided that the draft administration report should be circulated to the members.

7. *Considered the budget demand of the Communications Board for the year 1933-34 and the allotment proposed by Government.*—It was resolved that the Government be requested to give the full grant for maintenance, as demanded by the Board and an adequate grant for development. In this connection, it was also resolved that Government be asked to appoint a whole time Executive Engineer, without additional allowance, to act as Secretary in lieu of the present arrangement, whereby the Superintending Engineer, III Circle, does this work in addition to his own duties, so that the Secretary may be able to devote most of his time on the supervision of the maintenance and development of Class II roads in the Province.

8. *Considered proposal from the District Board, Attock, regarding the promotion of the Jand-Makhad road to Class II in place of the (1) Campbellpur-Fatehjang and (2) Khaur Dullah, Class II roads.*—The proposal was sanctioned, the last named two roads will thus revert to Class III.

9. *Considered distribution of Rs. 9,500, Rs. 13,000 and Rs. 30,000, held under reserve under heads " Development of Bridges and Roads", " Special Repairs" and " Maintenance of Class II roads," respectively.*—The distribution proposed by the Secretary was sanctioned with the *proviso* that any alterations, if necessary, might be made with the approval of the Chief Engineer, Buildings and Roads. The list of works together with the note by the Secretary is reproduced as Appendix I to the minutes.

10. The action taken by the President of the Board in sanctioning a grant of Rs. 1,000 to the District Board, Ambala, for special repairs to the Jagadhri-Bilaspur-Sadhaura road in anticipation of the Board's sanction was confirmed.

11. *Read letter No. F.-677, dated the 23rd May 1932, from the Secretary, Federation of Indian Chambers of Commerce and Industry, Bombay, on the subject of construction of concrete roads wherever needed in preference to Asphalt roads.*—The Board was of the opinion that no action by it in the direction suggested in the letter, was called for.

12. The Secretary was asked that information on the following points may be collected and placed before the next Board meeting for consideration :—

(1) Working of Monopoly system for the running of public motor vehicles for hire, and maintenance of roads.

(2) Working of road graders and tractors belonging to various District Boards in the form of a statement.

JOGENDRA SINGH,
President,
Communications Board,
Punjab, Lahore.

SANT RAM,
Secretary,
Communications Board,
Punjab, Lahore.

APPENDIX I.

ITEM 9.

To consider the distribution of the sums of Rs. 9,500, Rs. 13,000 and Rs. 30,000 held in reserve under heads "Development of Bridges and Roads", "Special Repairs" and "Maintenance of Class II Roads", respectively.

A list of works for which the District Boards have applied for grants-in-aid is attached. In order to utilise the reserve, only very important and urgent works have been selected and recommended for grants-in-aid as given below :—

Development of Bridges and Roads.

Gurdaspur.—No work is recommended.

Rs.

1,459, *Sialkot.*—A 50 per cent. grant of Rs. 1,459 is recommended for works Nos. 1, 2 and 3.

3,179, *Hoshiarpur.*—A 75 per cent. grant of Rs. 3,179 is recommended for works Nos. 1, 2 and 6.

420, *Ambala.*—A cent. per cent. grant of Rs. 420 is recommended for work No. 3.

2,216, *Rohtak.*—A 50 per cent. grant of Rs. 2,216 is recommended for the construction of the bridge.

1,825, *Karnal.*—A 50 per cent. grant of Rs. 1,825 is recommended for works Nos. 1 to 7 and 9.

1,000, *Rawalpindi.*—A lump sum grant of Rs. 1,000 on 50 per cent. basis is recommended. Works will be selected after inspection and the amount of the estimate will be kept below Rs. 2,000.

1,950, *Multan.*—As per item 4 of the agenda a 50 per cent. grant of Rs. 1,950 is recommended.

12,049.

The total grant recommended under head "Development of Bridges and Roads" exceeds the amount under reserve by Rs. 2,549 and this will be met out of the saving anticipated against works already in progress.

Special Repairs.

Rs.

1,000, *Sialkot.*—A 50 per cent. grant of Rs. 1,000 is recommended for works Nos. 1 and 3.

4,650, *Ambala*—A lump sum grant of Rs. 3,000 is recommended for work No. 1 the estimate for which will be scrutinised and reduced, if possible, and a cent. per cent. grant of Rs. 1,650 for work No. 3.

2,000, *Rawalpindi.*—A lump sum grant of Rs. 2,000 on 50 per cent-basis is recommended. Works will be selected after inspection of the roads.

1,000, *Mianwali.*—A cent. per cent. grant of Rs. 1,000 is recommended for special repairs to the Kalabagh-Isakhel road.

5,000, *Attock.*—A lump sum grant of Rs. 5,000 is recommended for works Nos. 1 and 2.

960, *Ambala.*—As per item 10 of the agenda a cent. per cent. grant of Rs. 960 is to be paid.

14,610

The total grant recommended under head "Special Repairs" is Rs. 14,610 against the reserve of Rs. 13,000. The excess of Rs. 1,610 will be met out of the saving expected from works already in progress.

Maintenance of Class II Roads.

The total allotment during the year under this head is Rs. 3,00,000 out of which Rs. 30,000 was earmarked for special repairs/works and out of the remaining sum of Rs. 2,70,000, Rs. 2,40,000 was recommended for payment of 50 of the grant actually due to District Boards and Rs. 30,000 was held in reserve.

It is anticipated that only Rs. 2,10,000 will be paid against Rs. 2,40,000. The balance of Rs. 30,000 may be added to the reserve of Rs. 30,000, and the whole amount may be distributed proportionately amongst the District Boards towards the payment of the balance of 50 per cent. due. It is estimated that we would only be able to pay about 12 per cent. more, which is therefore recommended for sanction. The balance, if any, left after payment of this percentage, if approved, be paid to poor and more deserving District Boards, where the metalled mileage is larger than elsewhere.

SANT RAM,

Secretary, Communications Board.

(2) No person shall be appointed directly or by transfer to the service or promoted from the post of Naib-Tahsildar to that of Tahsildar unless he shall have become qualified by passing the examination or undergoing the training prescribed from time to time in the Standing Orders of the Financial Commissioners.

(3) No person shall be appointed directly or by transfer to the service unless he has been accepted as a candidate in the case of Tahsildars by the Financial Commissioners and in the case of Naib-Tahsildars by the Commissioner under the conditions prescribed from time to time in the Standing Orders of the Financial Commissioners ;

Provided that in the case of Tahsildars the Local Government and in the case of Naib-Tahsildars the Financial Commissioners may, in special circumstances to be recorded in writing waive any of the provisions of this rule.

Method of recruitment.

6. Posts in the service shall be filled :—

(a) in the case of Tahsildars—

(i) by promotion of Naib-Tahsildars ;

(ii) by direct appointment ;

(iii) by transfer from among officials employed as head vernacular clerk of a Commissioner's or Deputy Commissioner's office, or as Superintendent of the latter office or as district kanungo of not less than five years' standing.

(ii) by direct appointment.

Method of filling substantive vacancies.

7. (1) When a substantive vacancy occurs or is about to occur in the selection grade of Tahsildars, it shall be filled by the Financial Commissioners from Tahsildars nominated by Commissioners after considering the claims of Tahsildars on foreign service on the principle laid down in Fundamental Rule 113.

(2) When a substantive vacancy occurs or is about to occur in the post of Tahsildar it shall be filled from among the classes mentioned in Rule 6 (a) in such proportions or rotation as the Local Government shall by general or special order direct. The promotion of Naib-Tahsildars employed in foreign service will be regulated on the principles laid down in Fundamental Rule 113.

Method of filling officiating vacancies.

8. When an officiating vacancy occurs or is about to occur in the post of Tahsildar or Naib-Tahsildar it shall be filled by the Commissioner, subject to any instructions that may be issued in the Standing Orders of the Financial Commissioners, from among any of the classes respectively mentioned in rule 6, clauses (a) and (b).

Appointments against suspended lien.

9. Substantive appointments in the service which have been made provisionally in vacancies caused by the absence of Government servants whose lien has been suspended under Fundamental Rule 13, will, as vacancies occur among substantive members of the service, or as suspended liens are finally withdrawn, cease to be provisional by strict seniority. On the return of an officer whose lien has been suspended, the junior member of the service whose substantive appointment is provisional, will revert.

Probation of members of the service.

10. (1) No person shall be appointed substantively in any vacancy until he has undergone a probation for a period of two years in the case of members recruited by direct appointment or of one year in the case of members recruited otherwise, during which time his appointment shall be officiating. Broken periods of service of not less than 3 months' duration in each case including service in temporary vacancies shall be reckoned as periods spent on probation, but no member who is officiating in any appointment shall, on the completion of one or two years in the service, as the case may be, be entitled to be confirmed until he is appointed against a permanent vacancy.

(2) If the work or conduct of any member during his period of probation is, in the opinion of the appointing authority prescribed by rule 3, not satisfactory, the appointing authority may dispense with his services, or revert him to his former post if he has been recruited otherwise than by direct appointment.

(3) On the completion of the period of probation of any member, the appointing authority prescribed by rule 3 may, if a vacancy exists, appoint him substantively with retrospective effect. If his work or conduct has, in the opinion of the appointing authority, not been satisfactory, the appointing authority may dispense with his services or revert him to his former post if he has been recruited otherwise than by direct appointment, or may extend the period of probation and thereafter pass such order as it could have passed on the expiry of the first period of probation.

Seniority of members of the service.

11. The seniority of members of the service shall in so far as any post is concerned be determined by the date of substantive appointment in the post. If a member of the service has reverted after holding a provisional substantive appointment his seniority shall be determined by the date of final substantive appointment in the post.

The seniority of candidates shall be determined by the date on which they are accepted.

Provided that if two or more members are so appointed in the same class of posts on the same date or two or more persons are accepted as candidates on the same date, their seniority shall be determined in the case of Tahsildars by the Financial Commissioners and in the case of Naib-Tahsildars by the Commissioner whose decision shall be final.

Penalties.

12. The following penalties may, for good and sufficient reasons and as hereinafter provided, be imposed upon any member of the service, namely—

(a) censure ;

(b) withholding of increments or promotion, including stoppage at an efficiency bar ;

(c) reduction to a lower post or time-scale or to a lower stage in a time-scale ;

(d) recovery from pay of the whole or part of any pecuniary loss caused to Government by negligence of orders ;

(e) suspension ;

(f) removal from the service of Government, which does not disqualify from future employment.

(g) dismissal from the service of Government, which disqualifies from future employment.

Explanation.—(1) The discharge or reversion —

(a) of a person appointed on probation, during the period of probation;

(b) of a person appointed to hold a temporary appointment, on the expiration of the period of the appointment or the return to duty of a person with superior claims to hold that appointment ;

(c) of a person appointed to officiate in any vacancy ;

does not amount to removal or dismissal within the meaning of this rule.

(2) All posts of Tahsildars and Naib-Tahsildars are deemed to be selection posts, and no one shall be deemed to have suffered the penalty of withholding of promotion by reason of not having been appointed to fill any such post.

(3) The penalty of removal or reduction may be inflicted upon a member of the service for such a cause as general unfitness for the duties of his office.

(4) The penalty of dismissal will only be inflicted for the gravest misconduct, or as the culminating result of continued misconduct, indicating complete unfitness for the public service. A person who succeeds in obtaining employment in the service by the concealment of his antecedents will be liable to dismissal on discovery of the true facts. In inflicting this penalty regard will be paid to the length of service of the offender and his claim to pension.

Authorities who may impose penalties.

13. Subject to the provisions of these rules, the authorities specified in column 3 of Appendix A are hereby empowered to impose upon the members of the service mentioned in column 1 of the said appendix the penalties specified in column 2 of the said appendix.

NOTE.—When it is necessary to consider whether a member of the service employed outside his division should be punished it will be most convenient that the enquiry should be held by the Commissioner of the division in which the member is working. The Commissioner holding the enquiry should inform the Commissioner of the division to the list of which the member belongs, of the institution of any such proceedings and before pronouncing his final order send it to that Commissioner for remarks. If the Commissioners are unable to agree as to the order that should be passed, the Commissioner who has actually heard the case shall decide it in accordance with his own opinion.

Inquiry before imposition of certain penalties.

14. (i) Without prejudice to the provisions of the Public Servants (Inquiries) Act, 1850, no order of dismissal, removal or reduction shall be passed against a member of the service other than an order based on facts found proved by a criminal court unless he has been informed in writing of the grounds on which it is proposed to take action, and has been afforded an adequate opportunity of defending himself. The grounds on which it is proposed to take action shall be reduced to the form of a definite charge or charges, which shall be communicated to the person charged together with a statement of the allegations on which each charge is based and of any other circumstances which it is proposed to take into consideration in passing orders on the case. He shall be required, within a reasonable time to put in a written statement of his defence and to state whether he desires to be heard in person. If he so desires and if the authority so direct, an oral inquiry shall be held. At the inquiry oral evidence shall be heard as to such of the allegations as are not admitted, and the person charged shall be entitled to cross-examine the witnesses, to give evidence in person and to have such witnesses called as he may wish, provided that the officer conducting the inquiry may, for special and sufficient reasons to be recorded in writing, refuse to call a witness. The proceedings shall contain a sufficient record of the evidence and a statement of the findings and the grounds thereof :

that

(a) this sub-rule shall not apply where the person concerned has absconded, or where it is for other reasons impracticable to communicate with him ;

(b) all or any of the provisions of this sub-rule may in exceptional cases, for special and sufficient reasons to be recorded in writing, be waived, where there is a difficulty in observing exactly the requirements of this sub-rule and those requirements can be waived without injustice to the person charged.

(2) No member of the service who is called upon to produce his defence as to charges which form the subject matter of an enquiry against him, shall be allowed to engage counsel :

Provided that if the charge or charges are likely to result in the dismissal of the member of the service such member may, with the sanction of the enquiring officer, be represented by counsel :

Provided further that if in an enquiry, counsel is engaged on behalf of any department of Government, the member of the service against whom the charges are being enquired into, shall be entitled to engage counsel.

Right of appeal.

15. Subject to the provisions of these rules, members of the service, upon whom any of the penalties specified in rule 12 have been imposed by competent authority, shall be entitled to appeal to the corresponding superior authority as specified in each case in column 4 of Appendix A;

Right of revision.

16. After an appeal or the second appeal provided in rule 18, if any, has been rejected, the member of the service may apply for revision to the corresponding superior authority specified in each case in column 5 of Appendix A :

Provided that the power of revision shall be exercised only—

(a) if the appellate authority is one other than Government ; and

(b) only on the ground of material irregularity in the proceedings of the enquiring or appellate authority or on the discovery of new and important matter or evidence which after the exercise of due diligence was not within the knowledge of the petitioner or could not be produced by him when the orders were made against him, or on account of some mistake or error apparent on the face of the record :

Provided further that Government may at any time revise any order passed by it in exercise of its appellate powers under these rules.

Orders which may be passed by appellate authority and effect to be given.

17. (1) In the case of an appeal against an order imposing any penalty specified in rule 12 the appellate authority shall consider—

(a) whether the facts on which the order was based have been established,

(b) whether the facts established afford sufficient ground for taking action, and

(c) whether the penalty is excessive, adequate or inadequate and after such consideration shall pass such order as it thinks proper, either confirming the order appealed against or remitting, reducing or increasing the penalty :

Provided that no penalty shall be increased unless opportunity is given to the official concerned to show cause why such penalty should not be increased.

(2) An authority from whose order an appeal is preferred under these rules shall give effect to any order made by the appellate authority.

Power of a superior authority to review the proceedings of an inferior authority.

18. The Financial Commissioners may call for the records of any penalty inflicted by an authority subordinate to them and after making further investigation, if necessary, may confirm, remit, reduce or, subject to the provisions of the proviso to sub-rule (1) of rule 17, increase the penalty.

Second appeal when a penalty is increased.

19. In all cases in which an appellate authority other than Government increases the penalty inflicted by an authority subordinate to the appellate authority upon a member of the service, such member shall be entitled to submit a second appeal to the authority specified in column 5 of Appendix A.

Prohibition as to collective appeals.

20. Every member of the service preferring an appeal shall do so separately and in his own name.

Manner of presentation of appeals.

21. Every appeal preferred under these rules shall contain all material statements and arguments relied on by the appellant, shall contain no disrespectful or improper language, and shall be complete in itself, and every such appeal shall be submitted through the head of the office to which the appellant belongs or belonged and through the authority from whose order the appeal is preferred.

Withholding of appeals.

22. (1) An appeal may be withheld by an authority subordinate to Government, if—

(a) it is an appeal in a case in which under these rules no appeal lies,

(b) it does not comply with the provisions of rule 21,

(c) it is not preferred within six months after the date on which the appellant was informed of the order appealed against, and no reasonable cause is shown for the delay,

(d) it is a repitition of a previous appeal and is made to the same appellate authority by which such appeal has been decided and no new facts or circumstances are adduced which afford grounds for a reconsideration of the case :

Provided that in every case in which an appeal is withheld the appellant shall be informed of the fact and the reasons for it :

Provided further that an appeal withheld on account only of failure to comply with the provisions of rule 21 may be re-submitted at any time within one month of the date on which the appellant has been informed of withholding the appeal, and, if re-submitted in a form which complies with those provisions, shall not be withheld.

(2) No appeal shall lie against an order withholding an appeal passed by a competent authority.

(3) Any appellate authority may call for the records of any appeal withheld by an authority subordinate to it, which under these rules may be made to it and may pass such order thereon as it considers fit.

23. Nothing contained in these rules shall operate to deprive any member of the service of any right of appeal which he would have had if these rules had not been made, in respect of any order made before these rules come into force.

Saving of existing rights of appeal.

24. Except as provided in rules 15 to 23 of these rules no appeal shall lie from any order under these rules.

Restrictions on appeals.

25. (1) The retirement on pension of Tahsildars is sanctioned by the Financial Commissioners and of Naib-Tahsildars by Commissioners.

Retirement.

(2) The Financial Commissioners may compulsorily retire any Tahsildar and the Commissioner may compulsorily retire any Naib-Tahsildar after he has completed 30 years qualifying service if it is in the public interest to do so, without giving any claim to special compensation on this account.

NOTICE.

1. Whereas instructions have been received for allotment on temporary lease, of the State lands, in Lower Chenab Canal Colony, described in the particulars hereunto annexed, and marked Schedule I, notice is hereby given that the plans of the said lands are open to inspection, free of charge, at the office of the Deputy Commissioner, Lyallpur, and that tenders will be received for the lease of the said lands, for the periods specified in the Schedule, at the office of the undersigned, on 20th, 21st and 22nd March, 1933, up to 4-30 P.M. each day. The conditions under which the land shall be held are specified in Schedule II annexed.

2. The area (more or less) of the lan ls, the rajbahas extended to them, and other particulars are given in the statement attached, and marked Schedule I :—

(1) The lands to be leased have been divided into lots, numbered as shown in Schedule I, and in maps in the office of the Deputy Commissioner, Lyallpur. The Schedule and maps bear the signature of the Deputy Commissioner. The approximate size of the lots is set forth in the Schedule.

(2) Distributaries of the Lower Chenab Canal have been extended to these lands, and plans signed by the Executive Engineer are deposited, and are open to inspection, free of charge, in the office of the Deputy Commissioner, Lyallpur. These plans and Schedule of lots, show the extent to which these lands are believed to be irrigable from the above-mentioned channels, by flow or by lift, as the case may be. The supply of water in the canal will probably irrigate as noted in the Schedule of lots, but Government does not hold itself in any way responsible for supplying any water to any of the said lands, or for the correctness of the said plans, and no failure or error in these respects shall be a ground for avoiding the lease or claiming compensation.

(3) The alignment of main roads, exisiting or proposed for construction, is shown upon the plans. The area of such roads has in all cases been excluded from the calculation of lease plots, and no property in them will pass to the lessee of such plots.

3. Tenders should be submitted on a form which is obtainable on payment of Re. 1 from the office of the Deputy Commissioner, Lyallpur, and should quote a rate of rent per matured acre per harvest. Matured area for each harvest will be determined according to the girdawari of the Irrigation Department. Rent for each harvest will be calculated by multiplying the rate tendered with the matured area, in acres, for the harvest, and will be payable on 1st February for the kharif harvest and on 15th July for the rabi harvest.

4. No person shall submit a tender on behalf of any other person unless it is accompanied by a duly executed and registered power of attorney (Article 48, Schedule I, Stamp Act), specially authorizing him to submit such tender.

5. No land revenue will be charged in addition to rent and this fact should be taken into consideration when quoting rent in the tender The lessee will be liable to pay Canal Occupier's rate, rates and cesses, and acreage rate. For calculating rates and cesses the rate of land revenue will be considered to consist of Re 1-4-0 per matured acre per harvest.

6. The lots vary in size and the periods of lease in length, as shown in the Schedule of lots attached. Separate tenders must be made

for each lot, but tenders for the whole chak will also be considered. A tender for the whole chak should not be combined with a tender for a single lot. Government does not bind itself to accept the highest or any tender, and may withdraw any lot without notice. Tenders must not be in fractions of less than one fourth of a rupee and must be for the period specified in the Schedule no more and no less.

7. Tenders must be accompanied by a remittance of Re. 1 per acre, as earnest money, calculated to the nearest whole acre of the area tendered for. This amount will be returned to the tenderer if the tender is not accepted, but if the tender is accepted it will be credited towards the rent to be paid in advance by the lessee.

Earnest money will be received in Deputy Commissioner's office for which a proper receipt will be given.

8. The successful tenderer will, within one week of the date of the acceptance of his tender, pay a sum equal to one third of the rent tendered, multiplied by the total area leased. Final adjustments in respect of the advance will be made at the termination of the lease, and any amount found to have been paid in excess, will be refunded to the lessee, but he shall not be entitled to claim any interest on the sum paid in advance.

9. If, on the acceptance of the tender, a tenderer fails to make the payment in advance, as mentioned in clause 8 above, the Deputy Commissioner, Lyallpur, will rescind the lease and the earnest money shall be forfeited to Government.

10. When the advance has been paid by the successful tenderer, in accordance with clause 8 above, the Collector shall cause a deed of lease to be drawn up in English, in the form given in Schedule II, and shall call upon the tenderer to execute the same, to get it stamped at his own expense, and shall then execute the same on behalf of Government. If the lease deed is compulsorily registerable, the Collector shall call upon the lessee to get it registered at his (lessee's) expense, within a date to be fixed by the Collector and deliver it to the Collector within ten days from the expiry of the period fixed for registration. The stamp duty shall be calculated as if the rent was payable on the total area leased, irrespective of the fact that the rent was tendered on matured area.

11. When the lessee has signed the lease deed, and has paid the stamp duty payable thereon, he shall be put in possessson of the land leased, by an officer appointed in that behalf by the Collector, and shall furnish to such officer a written acknowledgment of the receipt of possession.

12. If the lessee shall refuse, within the period specified for the purpose, to execute the said deed, or to have it duly stamped, or registered, or to deliver it to the Collector, or shall fail so to do without any reasonable excuse, the Deputy Commissioner, Lyallpur, shall have full power and authority forthwith to rescind the contract and cancel the lease, eject the lessee if he has taken possession, and seize the standing crops, without paying any compensation for them. The advance paid will be forfeited to Government.

13. In no circumstances will any exchange be made of the lands leased, nor does Government accept any liability for the correct identification by the tenderer of the lots leased. Lots can be identified on the ground by the help of the survey marks, and the plans alluded to in paragraph 1 above. Patwaris will also show visitors round at any time between the date of this notice and the date above mentioned; they will be under the supervision of Kanungos posted in the circles.

Issued at Lyallpur, by the undersigned, this 19th day of February 1933.

A. A. MACDONALD,
Deputy Commissioner, Lyallpur.

3. The lands are leased for the purpose of cultivation only and may not be used in whole or in part for any other purpose.

4. In the case of any dispute arising between the Government and the lessee, during the currency of the lease, as to the true intent and meaning of this instrument of lease, and of each and every provision thereof, and property and rights hereby reserved, or any of them in any manner incidental or relating thereto, the said dispute or difference shall be referred to the Commissioner of the Division, whose decision thereon shall be final and binding on the Government and the lessee.

PART II.—STIPULATIONS OF THE LESSEE.

The lessee doth hereby agree—

1. (a) that the lessee will pay the rent, as tendered by him, that is to say, Rs. per matured acre, per harvest, at Lyallpur on 1st February for the Kharif and 15th July for the Rabi harvest. The demand for each harvest will be calculated on the matured area, as determined by the Irrigation Department and will be communicated to the lessee by the Collector, Lyallpur. He will also pay, when due, all rates and cesses, chargeable on the land and also all charges (other than penalties), at any time leviable under Chapter VIII of the Punjab Land Revenue Act, 1887, in respect of the land leased to him. The words "rates" and "cesses" in this clause have the same meaning as in the Punjab Land Revenue Act, 1887. For the purpose of determining the amount of rates and cesses, payable under this clause, the amount of land revenue shall be considered to consist of Rs. 1-4-0 per matured acre per harvest.

(b) That the lessee will pay Canal Occupier's rate in accordance with the rates in force, or to be enforced on the Burala extension of the Lower Chenab Canal.

(c) That the lessee will be chargeable with acreage rate, during the period of the lease, at Rs. 3 per allotted acre, if paid in a lump sum at the commencement of the lease, or at the rate of Re. 0-8-6 per allotted acre per harvest, if paid in 8 equal half-yearly instalments.

2. That the lessee will permit the officers of Government to enter on the said lands for all purposes connected with the construction, maintenance, or repair of new as well as existing thoroughfares and water-courses :

Provided that no compensation, either by reduction of rent or otherwise, shall become due to the lessee from Government by reason of any such operations.

3. That the lessee will permit the officers of Government in like manner to enter and do all acts and things necessary or expedient for the full enjoyment of the right reserved to Government to or over all mines, minerals, coal, gold-washings, earth-oil and quarries in, under or upon, the said land :

Provided that reasonable compensation shall be made to the lessee by Government for all damage to the said lands, or to any property of the lessee thereupon occasioned by the exercise of the rights herein reserved to Government to or over all mines, minerals, coal, gold-washings, earth-oils, quarries in, under or upon the said lands. The amount of such compensation shall be determined by the Deputy Commissioner, Lyallpur, after hearing the said lessee.

4. That the lessee will pay on account of all trees and brushwood, now existing on the land, according to the valuation determined by the Deputy Commissioner, Lyallpur, which will be recovered in equal half-yearly instalments during the term of the lease. The first instalment shall be paid with the first instalment of rent. Any tree standing on the land, on the expiry of the lease will become the property of Government. One tree at least will be left standing in each acre.

5. That the lessee will not do any act inconsistent with or in urious to any of the rights excepted and reserved to the Government in clause 2 of Part I of this lease, and will not in any way interfere with the lawful use by the public to any thoroughfare within the said land.

6. That the lessee will duly comply with such directions as the Collector shall issue requiring him to construct boundary marks on the limits of the said lands, and will keep them, when erected, in good repair.

7. That the lessee will not cultivate or otherwise manage the said lands, or any part of them, in a manner calculated to injure them permanently or to lessen their value.

8. That the lessee will by the time of the sowing of the third harvest of the lease, bring under cultivation not less than one-fourth of the total area leased, and shall thereafter maintain this area under cultivation till the fifth harvest, when he will bring under cultivation and thereafter maintain under cultivation, not less than one-half of the total area leased. To "bring under cultivation" will be held to mean "to level and sow with a canal or well-irrigated crop."

9. That the lessee will not assign or part with the possession of the said lands, or any part thereof, except to cultivators of the holding, without the written permission of Collector first obtained.

10. That the lessee will at the end, or other sooner determination of the lease peaceably leave and surrender the said lands to the Government.

PART III.—RIGHTS AND POWERS OF GOVERNMENT.

IT IS HEREBY AGREED between the Government and the lessee—

1. That arrears of rent, or of any taxes, rates or cesses, or assessment whatsoever, may be recovered by Government from the lessee in the same manner as arrears of land revenue may be recovered.

2. Water-courses re delineated on the plans, but the Canal Officer empowered, in that behalf, may at his discretion construct or cause to be constructed any new watercourses, or alter the direction of, or entirely close, any existing water-course, and the lessee shall be entitled to no compensation by reason of such action except compensation for damage to standing crops. No water-course shall be constructed or altered by the lessee except with the approval of the Divisional or Sub-Divisional Canal Officer, and under the provisions of section 16 of Northern India Canal and Drainage Act, VIII, 1873. In accordance with these provisions the cost as determined by the Divisional Canal Officer of all water-courses already constructed or hereafter constructed, shall be recovered from the lessee using the same in such manner and at such time as may be fixed by the general or special orders of Government.

3. That land is believed and shall be taken to be correctly described as to area and otherwise. If any error, misstatement or omission in the particulars of this lease, or of the area of the lease, shall be discovered, the same shall not annul the lease, nor entitle the lessee to any compensation or abatement of rent.

4. If any portion of the area leased has been leassd by mistake, or if during the currency of the lease any portion of the area leased is required by Government, the Collector of the Lyallpur district will be competent to resume such area, and the lessee shall not be entitled to any compensation in consequence of such resumption, except for standing crops, if any, and rent on the area resumed shall cease to be levied with effect from the date of resumption.

5. That if the lessee fails to take possession of the said lands within one month from the date on which this instrument of lease is executed by him, or if at any time fails to comply with any of the conditions of this lease, the Collector of the Lyallpur district may forthwith resume, and take possession of the said lands, with the crops standing thereon, as if this lease had never been granted, and the advance paid by the lessee shall be forfeited to Government. The lessee shall not be entitled to any compensation on account of the confiscation of the standing crops.

6. When any contract has been rescinded under condition No. 4 above and the land is released at a rate lower than that tendered by the original tenderer, the original tenderer shall be liable to pay to Government, a sum equal to the difference between the total amount of rent he would have had to pay for the whole period of the lease at the rate tendered and the amount realized at the rate at which the land is released. When rent is payable on matured area, the difference, mentioned above, will be calculated on the assumption that in each harvest of the remaining period of the lease, the matured area would amount to one-third of the total area leased.

PART IV.—RIGHTS AND POWERS OF THE LESSEE.

IT IS ALSO HEREBY AGREED between Government and the lessee—

1. That the lessee shall be at full liberty to sink wells, build temporary houses and otherwise improve the said lands, and shall be solely entitled to all agricultural and sponteneous products not expressly excepted and reserved by this lease, but he shall not be entitled to any compensation for any improvement made by him save in the case of any well, sunk in the area of the lease by the lessee the value of which as assessed by the Collector, will be paid by Government to the lessee on the termination of the lease, provided that the well is in working order at that date. The value to be assessed will be the value of the well at the date of the termination of the lease.

2. That if the lessee desires to give up the land leased to him, before the expiry of the lease, he shall have to give notice of his intention to do so, in writing, to the Collector, one harvest in advance; and shall pay as penalty a sum equal to the rent of the preceding harvest. If there is no preceding harvest, the penalty shall be a sum equal to the payment made in advance.

The term " Government " means and includes every person duly authorised to act for or represent the Government of the Punjab in relation to any matter or thing contained in, or arising out of the lease.

IN WITNESS WHEREOF the said parties have hereunto set their respective hands and seals the day and the year first above written.

Signed, sealed and delivered by the Deputy Commissioner, Lyallpur, acting under the orders of or on behalf of the Secretary of State for India in Council.

10. (*i*) The permit holder shall keep a clear account of the quantity of minerals, etc., quarried each week and the amount removed for sale or use. This account shall be checked by the officials of the revenue department at the time of their inspecting the quarrying operations, as provided under rule 15.

(*ii*) Except as provided in sub-rule (*iii*) of this rule no mineral quarried under a permit issued under rule 8 shall be removed from the site until it has been measured by the village patwari or some other person appointed by the Collector. Penalties.

Failure to return the permit by landholders.

11. (*i*) The permit granted under rule 5 of these rules should, after the authorised quantity of mineral has been extracted, be handed back at once to the patwari of the village who shall return it to the Collector through the tahsildar. If the permit-holder fails to surrender the permit to the patwari within one week from the date of the completion of the quarrying operation the Collector may, on receipt of report, from the patwari, impose a penalty equal to the amount of royalty which would have been charged on the mineral, if it were assessable to royalty and if the penalty so imposed is not paid within one month from the date of demand it shall be recovered as an arrear of land revenue under the provision of section 98 (*b*) of the land Revenue Act.

Failure to return the permit in time

(*ii*) If a permit granted on an application under rule 7 (*ii*) is not returned to the Collector within one week of the date of its expiry, as provided in rule 10 (*ii*) the Collector shall forfeit one-fourth or less of the security deposit, made under rule 8 (*iv*) (*a*), as he may determine. In the case of a permit granted on an application under rule 7 (*i*) a similar penalty shall be enforced if the permit is not presented, within a week of the date of its expiry, to the Executive Engineer of the Secretary of the local body concerned as the case may be, for returning it to the Collector as provided in rule 10 (*ii*).

Failure to remove in time the mineral quarried.

(*iii*) If any mineral which has been quarried under a permit granted on an application under rule 7, is not removed within the period specified in rule 8 (*ii*) of any period of extension granted under rule 9 it shall be liable to be forfeited to Government.

Unauthorised extraction of *kankar* etc.

(*iv*) Any person found quarrying mineral, etc., without a regular permit or quarrying more than the amount specified in the permit granted to him, or of a different description shall be liable to pay double the amount of royalty payable under rule 8, and such royalty if not paid within one month of demand shall be realized as an arrear of land revenue under the provisions of sections 42, 59 (*i*) (*e*) and 98 (*b*) of the Land Revenue Act, XVII of 1887; and shall be liable to forfeit the privileges of these rules. Any person found selling or otherwise alienating *kankar*, etc., in contravention of the conditions specified in these rules shall be subject to the same penalties as aforementioned.

Failure to level up the ground on completion of quarrying operations.

(*v*) If the permit holder fails to level up the land immediately after quarrying operations as provided in rule 14 the security deposit made under rule 8 (*iv*) (*a*) shall be liable to forfeiture in whole or in part as the Collector may determine.

Refunds.

(*i*) If the quantity of mineral quarried is less than the quantity for which royalty was paid in advance the permit-holder shall be entitled to a refund of the excess on application being made in writing after one month and not later than 3 months from the date of the expiry of the permit, to the Collector of the district who granted the permit. The Collector after satisfying himself about the actual quantity of mineral quarried, as shown or certified on the permit, received back under rule 10 (*ii*) and (*iii*) shall pass orders for refund of the amount which will represent the difference between the amount of royalty which the applicant had paid in advance and the amount which was due to Government for the quantity of mineral quarried and removed.

(*ii*) For refund of deposits a separate application shall be made.

Compensation for infringement of private rights.

13. Where the applicant for a permit is not the owner of the land containing the mineral to be quarried, the owner is entitled to compensation for the infringement of his private rights by the quarrying and unless he consents to forego this compensation, it shall be determined as nearly as possible in accordance with the provisions of sections 11 and 23 to 25 of the land Acquisition Act I of 1894. The amount of compensation shall, whether paid by private negotiations or by order of the Collector be deposited by the applicant for a permit before it is granted. If the damage finally caused exceeds the value of the compensation granted, the owner of the land may, within one month of the abandonment of the land by the permit-holder, submit a claim to the Collector for further compensation, which shall be recoverable in the manner mentioned in rule 11 (*iv*).

Levelling of ground on completion of Quarrying Operations.

14. In cases where no compensation is claimed by the landowner under rule 13 the holder of the permit shall level up the ground immediately after ceasing quarrying operations. Failure on his part to do so should be reported by the landowner, within one month of the completion of the quarrying operations, to the Collector through the patwari of the village. The Collector shall thereon enforce the penalty prescribed in rule 11 (*v*). The amount of the penalty so levied shall be paid to the landowner as compensation.

Inspection of Quarrying Operations.

15. The kanungo of the circle in which the quarrying operations are in progress, shall, once a week, check the accounts of the quarrying operation, prescribed in rule 10 (*i*), and verify the quantities actually quarried and removed by the permit-holder. He shall make a report of all such inspections to the tahsildar concerned, and inform him as soon as the period specified in the permit has expired, or quarrying operations have ceased, whichever is earlier.

Breach of rules to be reported by Revenue Officials.

16. It shall be binding upon all lambardars, sufedposhes, zaildars, patwaris and kanungos to report all or any breaches of these rules to the tahsildars concerned. Kanungos who are responsible for the inspection of quarrying operations, shall see that the privileges conferred by the rules on permit-holders, are not abused in any way; any breaches shall be brought to the notic of the tahsildar forthwith.

Precautions necessary where Royalty is not leviable.

17. Under section 42 of the Punjab Land Revenue Act, XVII of 1887, read with paragraphs 191, 192 and 460 of the Punjab Settlement Manual and paragraph 831 of the Punjab Land Administration Manual, the local Government acknowledges that in certain areas it cannot levy royalty on minerals, etc., quarried, as the minerals in such areas belong to the landowners. But the Collector should, in each case, carefully enquire and satisfy himself after examining the record of rights, if necessary, whether royalty should or should not be levied on persons desiring to quarry minerals, etc., in such areas.

How Royalty, etc., is to be accounted for.

18. Royalty fees and all other sums mentioned in the foregoing rules, shall, on recovery from permit-holders, be deposited in the treasury or sub-treasury without delay and entered in the running register prescribed in paragraph 29 of the Financial Commissioners' Standing Order No. 31, in the first instance and ultimately credited to the head " 5—Land Revenue—Miscellaneous.
